

# PRAYERS OF OUR PEOPLE

August 30, 2023

I pray that we all go into this semester being intentional in growing in faith & community as we start a new look for Wesley. I also pray that we recognize that we are part of the whole in life, faith, and Christ, so we should make it a goal to live in that image by helping/supporting one another. Amen!!

Prayer requests: schoolwork,  
optimism, safety, wisdom, peace &  
calmness, balance, friendships,  
community involvement

Dear Lord, in this busy season of life, please remind me to keep you close. Please help me to take time to stop and see your good works in the world. Please allow me to be a source of light, positivity, and love for others. Let my heart be grateful and seek you above all worldly things. Forgive me for when I disappoint you Lord and know that even when I stray how deeply I love you. In your name I pray, amen ❤️

Dear Lord, I just ask that you guide me in the right direction on this so-called college journey and I ask that you put me in situations where I make the right decisions, and when I don't, I hope you can forgive me and guide me. I also ask if you can be with my family back home and just take care of them in whatever way they need.

I pray that this semester goes well, and all the struggles will be put at ease. That applying to grad school and my honor thesis goes smoothly. Also, use this semester for growth in education and faith. -  
Amen

**I PRAY I FIND MY PEOPLE HERE.**

Hey old friend, it's been a while. I'm sorry for not keeping up with you better. College has definitely been something different. But, I just want to say thank you for leading me to where I am today. I just ask you to not only be with me, but to also keep a healing helping hand over all of my classmates and their families. I can't wait to see where you take me next. – Your bestie

**DEAR LORD,  
THANK YOU FOR ALL OF THE  
BLESSINGS YOU HAVE GIVEN ME THIS  
YEAR. I PRAY TO BE MORE LIKE YOU  
THIS YEAR THAN LAST. I HOPE TO  
SPREAD YOUR WORD IN ALL WAYS  
YOU DESIRE OF ME. YOU ARE  
PERFECT IN A WAY US MORTALS  
COULD NEVER DREAM OF. THANK  
YOU FOR LOVING ME ALWAYS. IN  
YOUR SON'S NAME I PRAY, AMEN!!**

Dear Lord,  
I pray that I get closer to you and better understand your words and message. I pray that you lead me to serve and spread your word.

Please watch over – and family as – fights leukemia and please be with them as they go through this devastating time.

In your name I pray, Amen.

Dear Lord,

Help guide me as I navigate my “new life” here at ASU. Please help me surround myself with positive people, and individuals with strong faith. Help me devote myself to you Lord this semester. I pray for security, strength, and acceptance this semester. Thank you for all that you have blessed me with up to this point Lord.

I LOVE YOU!

& THANK YOU!

AMEN!

- I pray to find happiness in everything and be intentional in finding the positive even in situations where it may be difficult.
- I pray to find peace and stability in my faith this year and hope others witness God's love through me.
- I pray to also find a balance in everyday life such as schoolwork, studying for big exams, balancing my social life, and extra curriculars.
- Overall, I just hope to feel loved and balanced and be able to show that to others too.
